

# Dow Event Center

## formerly The Saginaw County Event Center

### Project Profile

#### Dow Event Center

#### Saginaw, Michigan

Engineer: William A. Kibbe & Associates, Inc.

Architect: Wigen, Tincknell, Meyer & Assoc., Inc.

Project Type: Civic

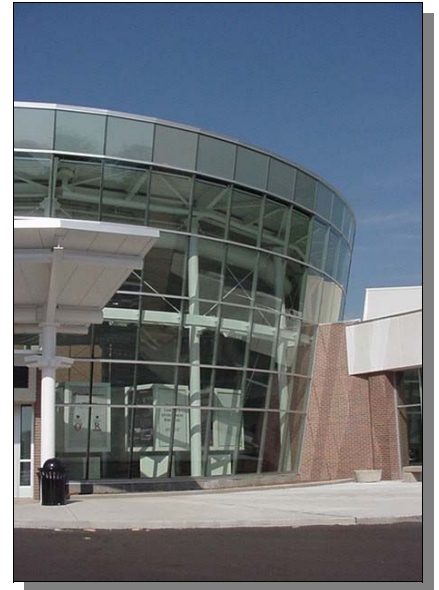

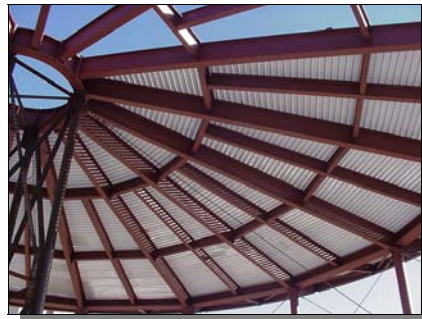

#### Project Information

Completion Date: October 2003

William A. Kibbe & Associates, Inc. provided structural engineering design services for this new “sense of entry” for The Saginaw County Event Center, now named The Dow Event Center.

This new entrance will provide one location to purchase tickets, enter the Heritage Theater to view Broadway Shows, and enter the civic arena to view hockey games, concerts, automobile shows, etc.

The unique shape required intricate structural design and detailing, as the majority of the structure is visible from the interior and exterior of the entrance.
