General Contractor: Sugar Construction

Project Type: Business/Bank

Project Information

Building Size: 4,117 SF

Completion Date: Summer 2005

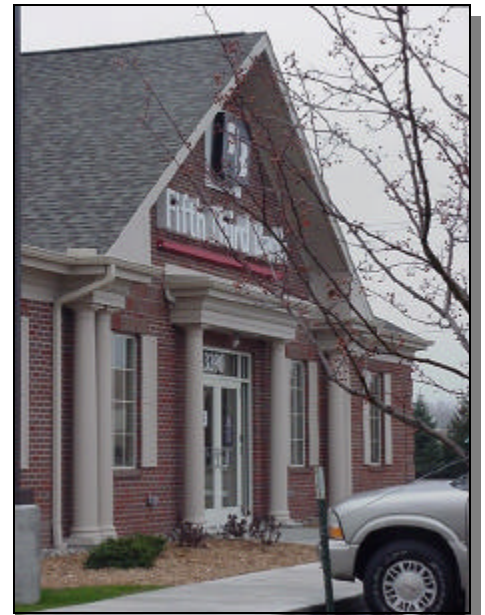

William A. Kibbe & Associates, Inc. was selected to provide complete Architectural, Structural, Mechanical, Civil and Electrical Engineering Services for a Fifth Third Bank branch office in Kochville Township, Saginaw, Michigan.

Fifth Third Bank prototype drawings and specifications were provided as a tool for the preparation of construction documents.

The project utilized Expesite, an Internet web based project management tool. By using this tool, it was easy to communicate with national vendors working on this project.

By working closely with the Fifth Third Bank and the General Contractor, the project was completed on time and within the project budget.

William A. Kibbe & Associates, Inc. has since provided full Architectural/Engineering Services for multiple branch locations in Michigan.
